Boston, MA | golf@bu.edu | Nutchanon.chai@gmail.com | +66 83-079-1107

EDUCATION

Boston University, Metropolitan College — Boston, MA

Expected Aug 2026

Master of Science in Applied Business Analytics

Kasetsart University — Bangkok, Thailand

2014 - 2018

Bachelor of Business Administration in Accounting, GPA: 2.94

TECHNICAL SKILLS

Analytics & Tools: Python, SQL, PySpark, pandas, scikit-learn, statsmodels, Plotly, Matplotlib, Excel, GitHub

Business Skills: Internal audit, AML/KYC, ERP implementation, process improvement, financial digitization

ACADEMIC PROJECTS

Lightcast Job Postings Analytics — Boston University

2026

- Analyzed large-scale job posting data using PySpark and Spark SQL to identify company, location, career-area, and salary trends.
- Created visualizations and summary tables to communicate labor-market insights and support data-driven recommendations.

Lobster Land Stay & Play Analytics — Boston University

2026

- Built classification models in Python to identify likely premium “Stay & Play” buyers and guide targeting/conversion strategy.
- Forecasted 2026 EPS for Marriott and Hilton; connected lodging benchmarks to segmentation, conjoint, and A/B testing recommendations.

PROFESSIONAL EXPERIENCE

Jirasat Wittaya School — Ayutthaya, Thailand

Feb 2021 – Aug 2025

Digitization Project Manager and Head of Innovation

- Led school-wide digitization for a K-12 institution, improving financial records, billing workflows, and student data management.
- Identified duplicate entries and unclassified financial data, implemented corrective controls, and delivered estimated savings of US\$38,000.
- Revamped a student data portal to support payer billing, lunch money management, school bus routing, and academic reporting.
- Redesigned student lunch operations by outsourcing cooking and standardizing recipes, generating approximately US\$30,000 in annual savings.
- Managed School Bright ERP implementation, coordinating custom attendance, lesson-planning, and student-card payment features.

Bangkok Bank Co., Ltd. — Bangkok, Thailand

Nov 2018 - Dec 2020

Internal Auditor, SAS-AML Team

- Created SAS Enterprise Guide data-flow diagrams to validate Taiwan branch customer information systems and resolve ETL defects.
- Reviewed AML and customer background-check audit programs for the Hong Kong branch, identifying missing sections and investigation points before on-site audit work.
- Partnered with the credit card department to obtain system and transaction information for audit planning and fraud-risk review.
- Documented credit card processes and verified records to strengthen fraud and unusual-item audit procedures.

LEADERSHIP & ADDITIONAL EXPERIENCE

Project Leader, “Accounting Smile 14” CSR Project — Kasetsart University

Jul 2016 - Jan 2017

- Led 90 volunteers to build a rural-school playground in Ayutthaya and raised US\$2,000 through faculty and company sponsorships.

Teaching Assistant, Ella.bkk — Bangkok, Thailand

Sept 2022 - Present

- Assisted photography classes by guiding students on camera operation and fundamentals of film photography.
